How to get to SICO
Bildungshaus "Stella Matutina"
Zinnenstrasse 7
6353 Hertenstein

From Luzern to Zürich or Zürich to Luzern, change highway to Gotthard/Küssnacht a. R.

Leave highway at **Küssnacht am Rigi** for direction **Weggis**. At Küssnacht there is a roundabout in the village: go left for Weggis.

After a few kilometers turn right into Weggis at the roundabout.

Drive a few meters and look for the sign to the right for **Hertenstein**.

Drive down towards and then turn right again and drive along the lake. When there are no more houses on the right you will see a curve to the left. Turn off towards the right and drive straight ahead. You should see the sign "Stella Matutina" at this junction point.

Go all the way along that street, pass the garden center and to the left the yellow building "Stella Matutina". Pass the carpark and go left up the small road and you will find more carparks.
