One-Year Programme: BSc hons. Osteopathy

for Osteopaths

**Upgrade your
degree now!**

BSC PROGRAMME FOR GRADUATES IN OSTEOPATHY

Upgrade your education to the university level.

AIMO Accademia Italiana di Medicina Osteopatica teaches the programme to professionals as a one-year programme.

It contains 4 units with 15 days of teaching. The course will be delivered part on site and part online.

« Pathway to the academic accreditation »

The title will be given by UCO University College of Osteopathy*.

A consecutive 18-month Master programme will follow.

Programme

Unit 1: Research Methods and Evidence Informed Practice RMEIP

Receive the appropriate knowledge of research methods and study design together with an understanding of evidence informed practice

Unit 2: Research Development in Osteopathy RDO

Be exposed to the importance of understanding the roles, responsibilities, scope and limitations of other, relevant, therapies to enable professional interaction between osteopathic practice and other health care practices.

Unit 3: Developing Reflective and Specialist Practice DRSP

Consider your clinical function and performance. Critically analyse your clinical practice and experience and reflect on your main areas of strength and possible areas for your development

Unit 4: Independent Research Study IRS

Produce a publish ready research paper with appropriate, balanced and referenced discussion and conclusion.
